

Windmill Primary School needs...

Please contact Miss Durrheim at kirstydurrheim@windmillprimary.net if you would like to get involved.

RWSA

The RWSA (Raunds

Windmill School Association) is very eager to organise events to help raise money for the children in the school. The RWSA is a small group of parents who work hard to create memorable, fun events with the aim of raising as much money as possible: events such as discos, the Christmas Fayre, the Bake Off and the Quiz Night. The RWSA meet 6 times a year, usually in the evening and would love some more members! If you would like to join the committee, please contact Heather Clark or leave your details in the office and we will contact you. Alternatively, if you feel you could offer a hand for a few hours at one of the events, please get in touch. Thanks for your support at RWSA events! rwsa@windmillprimary.net

Grounds Champions

Could you spare some time to help make our outdoor area amazing? We're looking for people to help either on a one-off tidy up in certain areas but we are also keen to talk to those of you who are green-fingered who might enjoy coming in once or twice a term (or even weekly) to give some much needed TLC to some of our areas and borders. We also need a plant expert or two to come and help identify all of the plants we have on site to create a plant map to help with the children's learning.

Reading Champions

Would you like to come in to listen to children read, read to them and share some fun with books in general?! We'd love to see you once a year, once a term, once a month, once a week or even every day for 15 minutes, an hour, or a whole day at a time! Whatever you want to do! You don't have to get involved in your child's class, but you can if you want to!

Assemblies

Could you come and talk to the children in assembly? In the past, we have had visitors coming in to talk about the jobs they do, any fundraising or charity work they have completed and anything else exciting. We welcome visitors from different religions and cultures to come in and talk to the children about beliefs, festivals and customs.

Skills

Champions

Do you have a skill that you could share with some children? Can you knit or sew, or maybe you enjoy painting or cooking? We are looking for 'experts' with a bit of time and enthusiasm to come in and share their skills with a small group of children.
