Dear Parents/Carers,

We are pleased to offer your child the opportunity to take part in some funded Bikeability training. Bikeability training is aimed at children that can already ride a bike and is only available for children in Year 4 (current Year 3). The aim of the course is to equip cyclists with the skills and knowledge to make a safe journey.

We are offering Level 1, which consists of bike checks and basic skills and will be carried out at school. To participate, **children must have their own road-worthy bike and a helmet**. This course will be for 2 hours and will take place Friday 15th November 2024.

We have limited spaces on this course and will therefore allocate places on a first come, first served basis. To secure your child's place, please complete the reply slip and return to school before **Friday 29th March 2024**, so that we can finalise numbers.

We are looking forward to this great opportunity! If you have any questions please ask at the office.

Yours Sincerely

Mr Penny
