

# Year 2 Term 3 We Are Britain

**Reading:** We know that learning to read is paramount. Being able to read confidently is a life skill and we expect children to be reading at least 3 times a week alongside an adult who can support and question their understanding of the text. Each time they read, a simple signature in their reading record to acknowledge that they have been heard will earn them a raffle ticket and therefore increase their chance to win a brilliant book! The interactive and engaging website 'Oxford Reading Buddy' will continue to support and supplement each child's personal reading journey alongside paper books available at school.

**Maths:** Can you beat the Times Table Rockstar world record? The quick recall of multiplication and division related facts is crucial for the children to develop and consolidate their number fluency and reasoning skills. Practise your times tables at least 3 times per week. [www.ttrockstars.com/](http://www.ttrockstars.com/)

### Optional extras:

Create a Motte and Bailey castle out of recycled materials. Remember to design your Motte and Bailey castle first then measure the material you will need.

Choose a famous King or Queen and create a poster or fact file about them. Think about when they reigned, and anything important that they did whilst they were in power.

Create a time line of the kings and queens of England. Which king/queen has ruled for the longest? How long did they/have they reigned for?

**Spelling:** Children have 10 words to learn each week and are regularly taught and tested on these during the school week. Practise spellings at [www.spellingshed.com](http://www.spellingshed.com)
